East Hampshire District has received the following comment

PLANNING APPLICATION NO: 52154

LOCATION: The Great Wood, Church Lane, Greatham, Liss

Thank you for consulting the South Downs Joint Committee on this application.

I have no objection to the proposals, particularly as the structure would, if used for the purpose indicated, help with the management of the woodland. If permission is granted, this should be subject to conditions restricting the use of the building and ensuring that it is removed should it no longer be needed in association with woodland management.

If your authority wishes to determine this application at variance with the Committees views, the Committee would not wish to exercise its right to be heard under the Development Control Scheme.

I would be grateful to receive a copy of the decision notice in due course. We would be pleased to receive your decision by email.

Yours faithfully
