

Thank-you for comments which have been passed to the case officer Nicky Powis

#### Representor Details

#### Recycling and Refuse Section

East Hampshire District has received the following comment

East Hampshire DC operate a kerbside AWC (Alternate weekly collection) for refuse and recycling. Each property must provide their own wheeled bins for use as refuse/recycling containers. These can be bought at cost price through our contractors phone for details, 01420 593230 for Veolia.

They should comprise a 240lt green bin for domestic refuse & a 240lt black bin for recycling.

A black glass box must also be bought from the council for the four weekly glass collection. These can be purchased and either collected from Penns Place, Petersfield or delivered.

A garden waste service is available at a current cost of £25 per annum for a fortnightly sack collection. Additional sacks are available at £12.50 each pa. Call customer services for details.

Bins must then be put out for emptying by 7am on the day of collection which will be advised when the residents move in. The bins should be returned to private, off road, storage as soon as practicable after collection.

Should you have further questions please call Customer Services on 01730266551.
